The Report of the Committee of Management of the Royal Isle of Wight County Hospital to H.R.H. The President and Governors for the year 1936.

THE Committee in presenting their 89th Annual Report are pleased to be able to state that another year of good progress has been made in bringing the Hospital up to the standard that is necessary to meet the increasing demand for treatment.

His Majesty The King has been graciously pleased to extend the Royal Patronage to the Hospital, and to give an Annual Subscription of £10.

There were 1,144 new In-patients against 1,048 in the previous year, while the total attendances of Out-patients amounted to 18,012 : a new department for radium treatment was opened during the year at the Hospital under an arrangement with the County Council : a Specialist from Southampton attends the clinic once a month.

The Ordinary Income amounting to £16,450 17s. 7d. was more than in the previous year by £1,668 6s. 3d. : the Ordinary Expenditure, including the expenses of the Contributory Scheme, amounted to £12,650 3s. 11d. an increase of £1,572 13s. 6d. over the total for 1935. The improved financial position is due entirely to the continued success of the Contributory Scheme, but the income from Voluntary Contributions has decreased rather seriously : the Committee are concerned about this matter because a larger expenditure will be necessary when the additional beds are provided in the near future.

The Committee desire to convey their grateful thanks to the Honorary Medical Staff, and to all the Honorary Officers for their valuable services, and to express their appreciation of the work of the Matron, Sisters, Nurses, and Dispenser ; also of the great improvement in the Almoner's department : there is now a full record of the details of all cases : a card index system is being prepared in

connection with the Contributory Scheme : this has necessitated some considerable work and organisation in both departments : credit is due to the Almoner, Mr. A. Wilson, and to the Organising Secretary of the Contributory Scheme, Mr. P. F. Lord for the progress that has been made. The Committee again desire to accord their most grateful thanks to the local Committees of the Contributory Scheme, and to the Secretaries and Collectors for their continued most valuable work.

Miss Williamson resigned the post of Matron on May 31st, owing to ill health, after many years of service, and Miss A. K. Last from the Royal Portsmouth Hospital was appointed to fill the vacancy, and took up her duties on June 11th. Mr. C. R. Collis, L.D.S., R.C.S. Eng. was elected Honorary Dental Surgeon on April 8th : the duties had been taken for some time after the resignation of Mr. R. L. Royal, by Mr. H. Hart of Ryde, and Mr. D. Sinclair of Ventnor, to whom most grateful thanks are due.

The Committee decided to join the Federated Superannuation Scheme for Nurses and Hospital Officers, so that the Matron, Sisters, and Senior Probationers, and other Officers, might benefit under the Scheme on leaving the Hospital.

The Committee are pleased to report that the first part of the Building Scheme is progressing satisfactorily : this section will provide 16 additional beds, which it is hoped may be ready for use during the summer. It is proposed to build the King George V. Memorial Nurses' Home in the near future, provided the appeal for funds now being made meets with good support : this will be a very valuable addition, and will provide accommodation for the Staff on a site near the Hospital, and thus make room for further alterations in the main building as circumstances permit. This Scheme has the entire approval of H.R.H. Princess Beatrice, who has been graciously pleased to express the hope that the appeal may meet with great success.

The Committee are most grateful for all the help they have received from Members of the various organisations who work for the Hospital and send gifts in money and in kind : they acknowledge with sincere thanks the help of the Press, which has been so readily given.

The following Members of the Committee retire under Rule 24 :—

Mr. F. W. Boger, Miss Waistell, Mr. F. J. Honnor, Archdeacon C. W. Hampton Weekes, Mr. A. Miles, The Hon : Emily Seely and Miss M. A. MacEwan : another vacancy is caused by the resignation of Mr. H. C. Fowler.

Any Governor, whose consent has been obtained, may be nominated for election by another Governor in writing duly signed and given to the Secretary not later than 6 p.m. on Saturday, March 6th.

Signed on behalf of the Committee,

ARTHUR ANDREWS, J.P.,

Chairman.

THE CONTRIBUTORY SCHEME

Report of the Contributory Scheme Committee for the year 1936.

IT is with great pleasure that the Committee present their second Report on the Contributory Scheme. The year 1936 was the first complete year for the Scheme and as we ventured to anticipate in our first Report the Income shows a very substantial increase over the year 1935. The total Income from the Scheme during 1936 was £10,485 11s. 10d. showing an increase over 1935 of £2,388 14s. 10d. Our membership is now fast approaching the 30,000 mark and we have great hopes that the Scheme will eventually produce an income of £12,000 annually.

The Committee owe a very great debt of gratitude to the Local Committees. They have proved most loyal friends to the Hospital, and we can never thank them enough for their unceasing efforts to make the Scheme successful.

The Committee also tender their thanks to all the employers of labour for their continued help and co-operation. During 1936 the employers of labour collected for us £1,340 6s. 7d. which shows an increase of £194 18s. 10d. over 1935.

During the year the sum of £827 5s. 4d. has been paid out for the treatment of our contributors in Outside Hospitals. This sum includes amounts paid to the Shanklin Hospitals viz. The Arthur Webster Memorial Hospital £162 12s. 0d. and The Scio Hospital £213 18s. 0d.

The administration expenses in connection with the Scheme total £494 19s. 9d. We endeavour to keep these expenses as low as possible and despite the additional expense due to the new system of registration that has been installed, we have managed to keep them below 5 per cent.

During the year the Governors of the Hospital agreed that the contributors should be represented on the Hospital Committees. The elections have now taken place. We are very pleased to welcome the following representatives and wish them a very happy time at the Hospital :- Mr. A. E. Kingswell, Mrs. M. Venus, Mr. W. Death,

Mr. A. Carter, and Mr. J. Salter. The Shanklin Hospitals who are co-operating with us are to be represented by Dr. H. S. Howie-Wood, M.B., B.S.

The Annual Conference of Secretaries and Collectors held in the Spring of 1936 was very successful. We hope to hold our second Conference in May of this year, and we look forward to a record attendance.

AUBREY A. H. WYKEHAM,
Chairman, Contributory Scheme.
